

KEY DATES AND INFORMATION FOR THE 2025 CIBD EXAMINATIONS

Technical qualifications sit at the heart of the CIBD. From helping new entrants to the industry to supporting those in senior leadership roles, we provide the knowledge that will drive your continuous professional development.

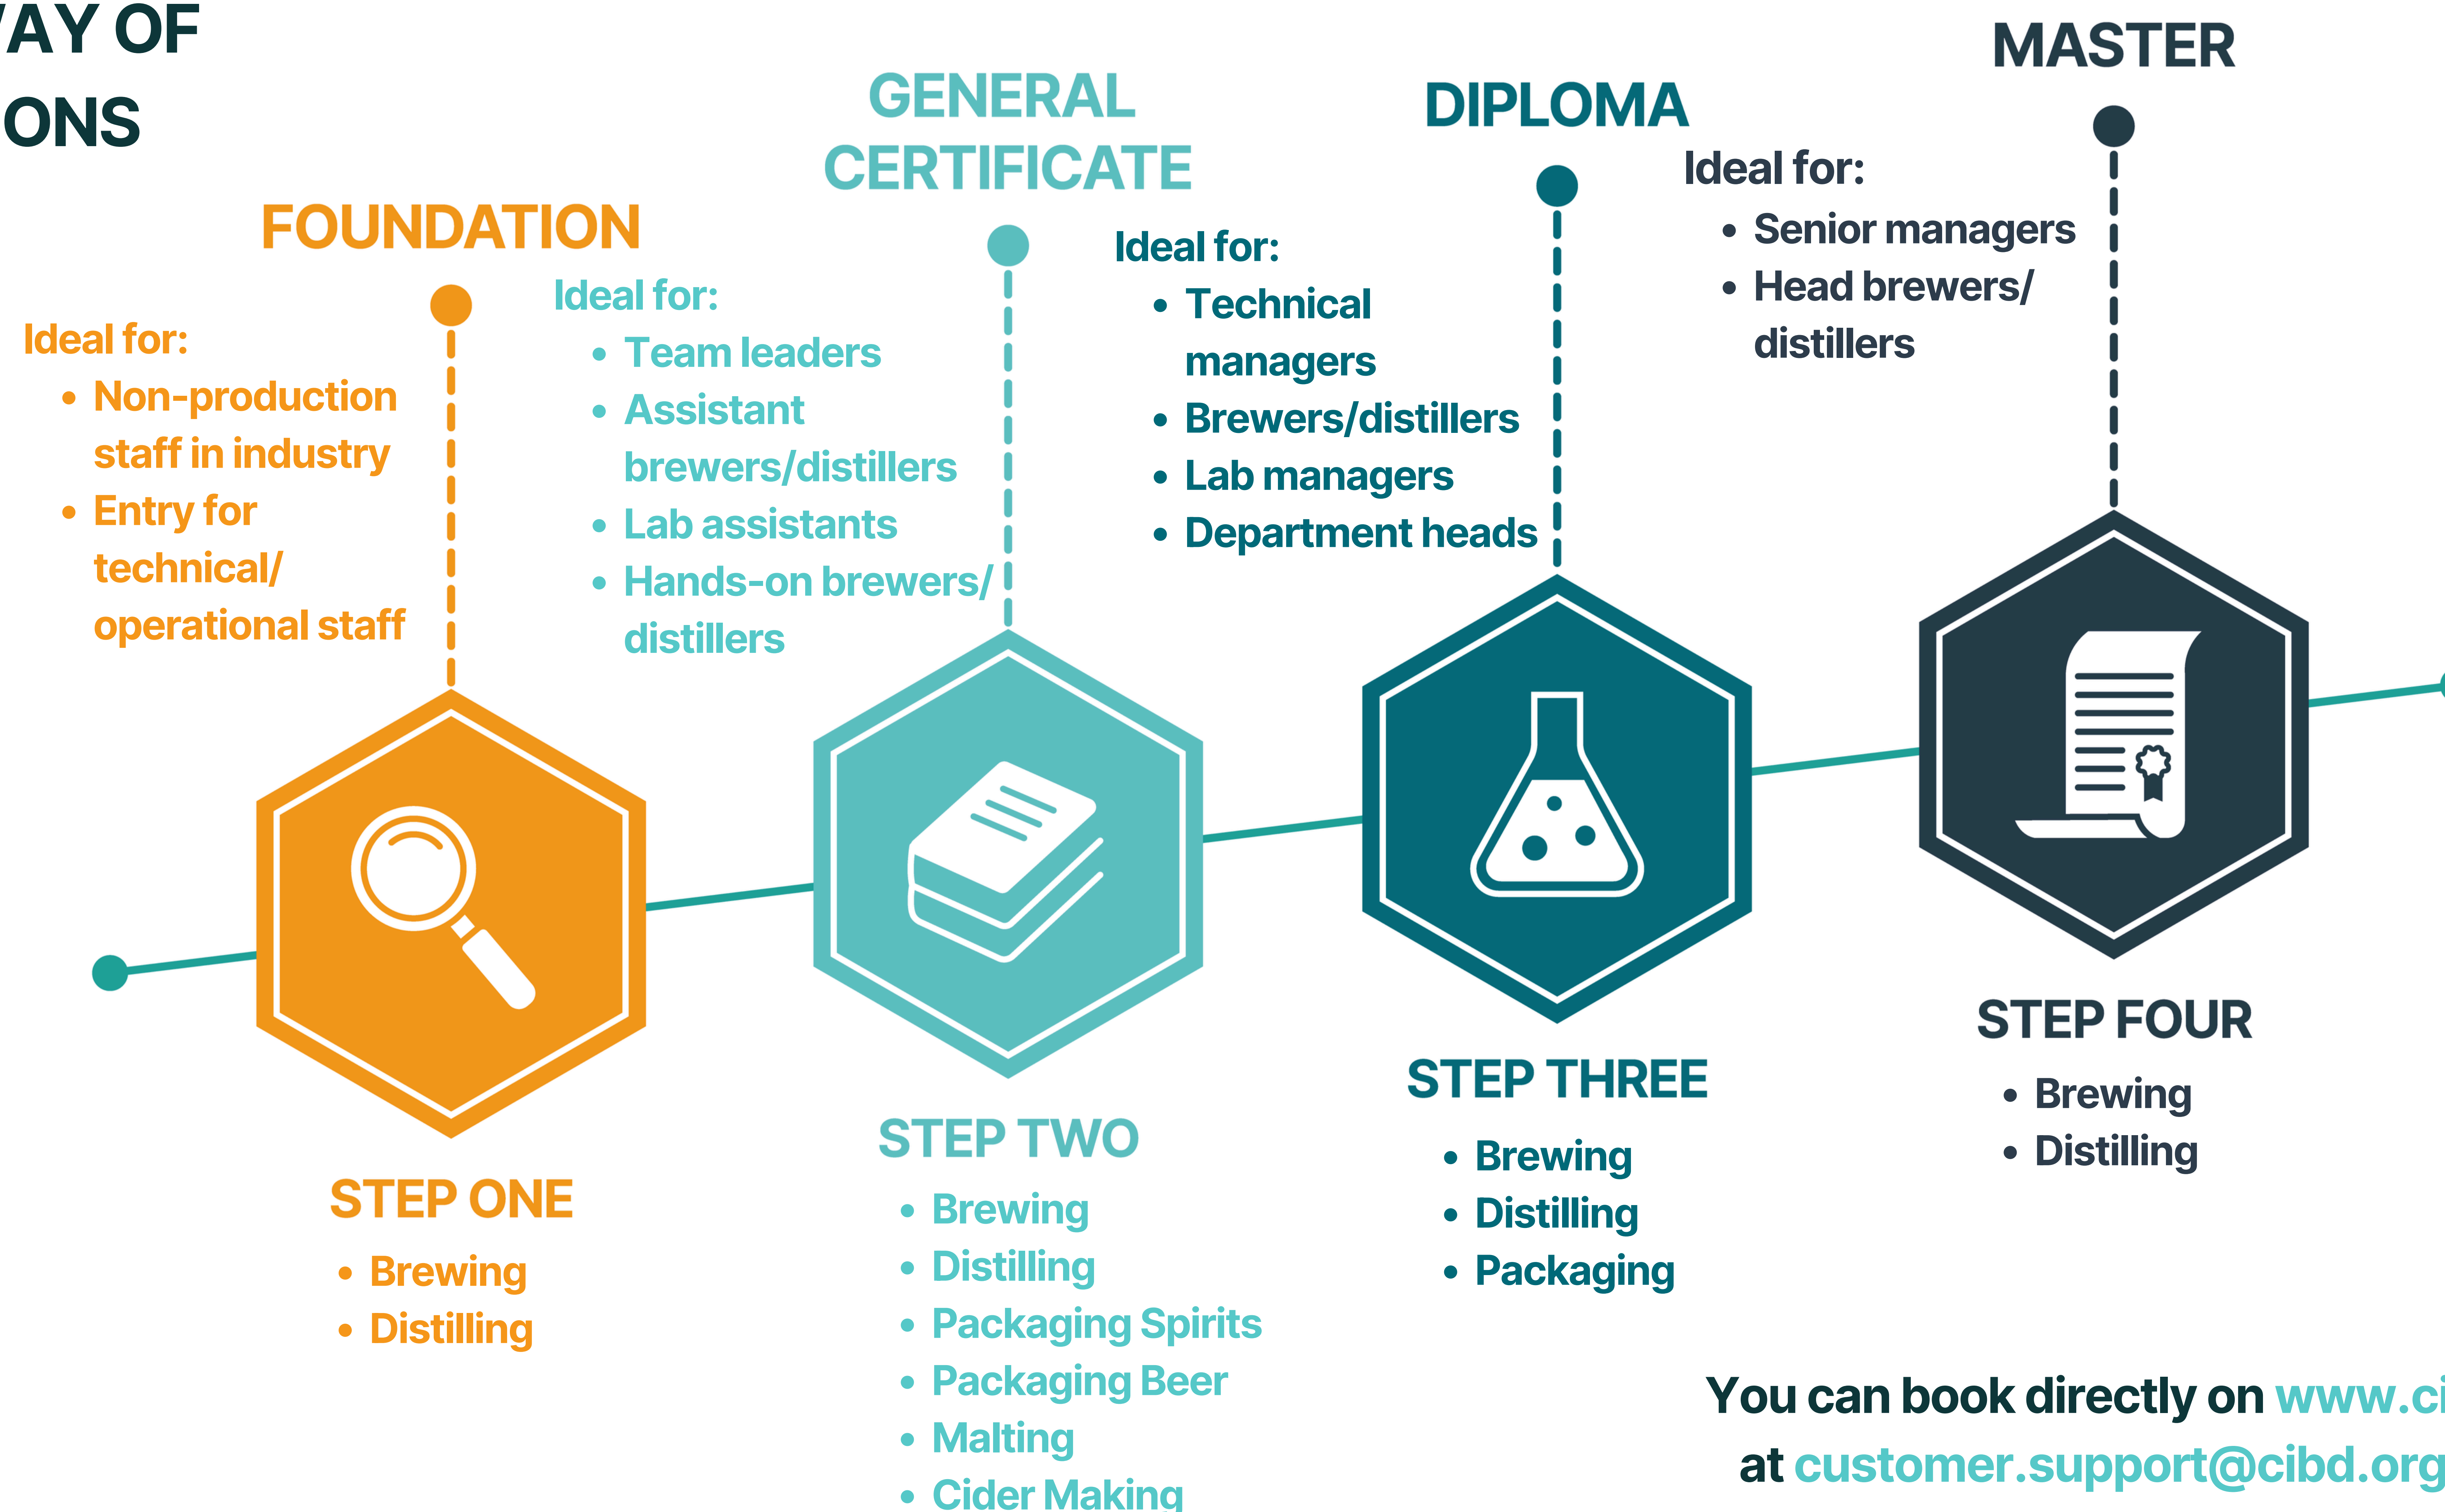

"Obtaining a CIBD Certification is a valuable step to validate knowledge and skill."

Rodrigo Flores Tahhan
General Certificate in Brewing
and Packaging - Beer

CHARTERED STATUS

As a chartered organisation, the CIBD will provide brewers, distillers, and allied industry professionals with a globally recognised mark of quality and set standards of professionalism and performance. This will help you thrive in your career, like other chartered professionals in areas such as engineering, accountancy, and medicine.
